

The journey to Värnamo

On Friday 28th May 2010 at 12 am, we departed by bus to the airport in Düsseldorf/Weeze. The 3 hour-trip was very funny. At 3 pm, we arrived at the airport in Weeze. There we had 2 hours freetime to discover the airport. At 6.55 pm our plane took off and after one and a half hour we arrived at the airport in Växjö/Sweden. It's a very small airport. Some Swedish host parents picked us up and brought us to the 'Appladalskola'. The ride was very funny and we saw a lot of the Swedish landscape. In the evening some of us were in a youth centre called 'Navet'. At 10 pm we went home and went to bed.
